

## **LINE CHEF / SERVICE CHEF**

We are a busy, independent, hot food takeaway specialising in handmade burgers and home cooked food based on Langley Moor front street, just outside of Durham.

We are looking for a positive, motivated and energetic team player looking to excel in their job/career. It is important that you are quick to learn new skills and have the enthusiasm to get involved in all aspects of the business. From food preparation, cooking and cleaning.

Quality control, strong communication and good organisation skills are vital in providing consistency when cooking and preparing food for our customers.

We are looking for someone who is professional and shows confidence when working in our fast pace, busy kitchen.

Whilst experience is preferred, it is not essential as full training will be given.

### **Skills needed & responsibilities include:**

- Working quickly and efficiently.
- Strong concentration, quality control and attention to detail.
- Being able to follow recipes and instructions, set systems & procedures.
- Ability to use your own initiative when working whilst showing organisation skills and communicating well with other staff.
- General cleaning including dishwashing.
- Preparation of homemade ingredients and garnishing for service.
- Garnishing of food orders, being able to complete orders alongside staff.
- Completing food orders for takeaway, having the ability to communicate with other staff in a clear and timely manner.
- Organisation and time management skills, being able to cook and complete multiple orders at one time.
- Able to delegate and organise tasks for yourself and other staff.

Various positions available. Immediate start.

Available hours vary between 10-20 per week depending on experience.

Wage: Minimum wage with opportunity to increase with experience.

### **Benefits**

- Discounted or free food on set shifts
