

## **KITCHEN ASSISTANT/FRONT OF HOUSE**

We are a busy, independent, hot food takeaway specialising in handmade burgers and home cooked food based on Langley Moor front street, just outside of Durham.

We are looking for a positive, motivated and energetic team player looking to excel in their job/career. It is important that you are quick to learn new skills and have the enthusiasm to get involved in all aspects of the business. From light preparation, cooking, cleaning and serving.

We are looking for someone who is professional and confident in giving the best customer service to our customers.

Quality control, strong communication and good organisation skills are vital in providing consistency and a great experience for our loyal customers.

Whilst experience is preferred, it is not essential as full training will be given.

### **Requirements & responsibilities include:**

- Taking customer orders, in store, online and over the phone.
- Confident in talking to customers, dealing with problems or concerns in a professional manner.
- Cash handling and operating our online till system.
- Working quickly and efficiently.
- Being able to follow recipes and instructions, set systems & procedures.
- Ability to use your own initiative when working whilst showing organisation skills and communicating well with other staff.
- General cleaning including dishwashing.
- Light preparation of garnishing and ingredients for service
- Garnishing of food orders, being able to complete orders alongside staff.
- Completing food orders for takeaway, having the ability to communicate with other staff in a clear and timely manner.

Various positions available. Immediate start.

Available hours vary between 10-20 per week depending on experience.

Wage: Minimum wage with opportunity to increase with experience.

### **Benefits**

- Discounted or free food on set shifts
- Free Parking
- Opportunity to grow / increase wage with responsibility
- Cash tips

### **Availability:**
